Report on “Amazon Web Services (AWS) training by Tech Mahindra”

Introduction:

The Computer Science Department of Dr. V S Krishna Govt. Degree College (A), Visakhapatnam, in collaboration with Tech Mahindra, organized the AWS Re/Start Training Program on 6th November 2023. The event aimed to provide students with foundational cloud computing skills and enhance their employability in the IT sector.

Resource Persons:

- Dr. I. Vijay Babu - Principal, Dr. V S Krishna Govt. Degree College (A)
- Vinay - Training Manager, Tech Mahindra
- Dr. A. Siva Prasad - Head of the Department, Computer Science

Program Highlights:

The AWS Re/Start Training Program focused on equipping students with cloud computing skills, particularly on Amazon Web Services (AWS). The session covered the following key aspects:

- Introduction to Cloud Computing: Basic concepts and significance of cloud technology in modern IT infrastructure.
- AWS Fundamentals: Overview of AWS services, including computing, storage, networking, and security features.
- Hands-on Training: Practical demonstrations and hands-on exercises to familiarize students with AWS tools and environments.

- **Career Opportunities:** Insights into career paths and job opportunities in cloud computing.

Guest Speeches:

- Dr. I. Vijay Babu emphasized the importance of industry collaborations and how cloud computing is shaping the future of IT.
- Mr. Vinay highlighted the significance of AWS certifications and how students can leverage them for better job prospects.
- Dr. A. Siva Prasad encouraged students to actively participate in such training programs to stay ahead in the technological landscape.

Student Participation and Feedback:

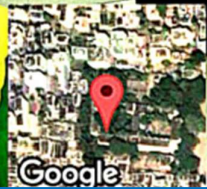

The program witnessed enthusiastic participation from students of the Computer Science Department. Many students expressed appreciation for the practical learning experience and showed keen interest in pursuing AWS certifications. They found the session highly informative and beneficial for their future careers.

Conclusion:

The AWS Re/Start Training Program by Tech Mahindra was a great success, offering students valuable insights and hands-on experience in cloud computing. The Computer Science Department expressed gratitude to Tech Mahindra and the resource persons for their efforts in making the program impactful. Such initiatives continue to bridge the gap between academia and industry, preparing students for future technological advancements.
