He is also expressed incubation centres are frequently an excellent way to get funding from venture capitalists, angel investors,

Dr.G.Srinivasa Rao

Innovation and Incubation Centre Coordinator

As the coordinator, I am thrilled to share a few words about the pivotal role our center plays in fostering creativity and entrepreneurship.

Innovation is the cornerstone of progress, driving economic growth and solving some of the world's most pressing challenges. Our center is dedicated to providing a nurturing environment where bold ideas can take shape and grow into impactful solutions.

Incubation centres like ours offer critical support through resources, mentorship, and networking opportunities. By connecting innovators with experienced professionals and industry leaders, we help transform visionary concepts into viable businesses.

Our mission is to empower you, the innovators, to reach your full potential. We believe that every idea has the power to make a difference, and it is our goal to support you every step of the way on your journey to success.
