

**IMPLEMENTING A PRACTICE OF PROVIDING INDOOR PLANTS TO
ALL DEPARTMENTS IN THE COLLEGE.**

&

GIFTING SAPLINGS TO GUESTS AND RESOURCE PERSONS

To enhance air quality, promote mental health and wellbeing, create a positive learning environment and to promote creativity Department of Botany provides indoor plants suggested by NASA to all the departments to keep the air clean. These plants purify the air by releasing the oxygen in low light. Green volunteers multiply these plants in green house and put them in the departments.
